

## DISCLAIMER

The data published on this webpage is the data provided by those wishing to send a message of interest to researchers interested in similar research questions and do not necessarily represent the views and opinions of ECRIN or the views of any local authorities/authors referred to on this webpage. Listing a study on this site does not mean it has been evaluated by the relevant competent authorities.

Please note that all information, content, material, including but not limited to protocol synopsis included or otherwise made available to you through the "Marketplace webpage" are provided by ECRIN "as is" and "as available" basis and are intended for informational purposes only. ECRIN cannot guarantee the safety and scientific validity of a study listed on "Marketplace webpage".

ECRIN makes no representations or warranties of any kind, express or implied, as to the information published. You expressly agree that your publication or use of the information is at your sole risk and responsibility. You may only use the information for your personal and non-commercial use.

ECRIN takes no position regarding the validity or scope of any intellectual property or other rights that might be claimed to pertain to the implementation or use of the information shared through Marketplace; neither does it represent that it has made any effort to identify any such rights.

Choosing to submit your data to Marketplace or to be contacted by researchers interested in similar questions is an important decision. Before you participate in Marketplace initiative, ECRIN invites you to consider any copyrights, patents, or patent applications, or other proprietary rights which may cover the information before submitting it to Marketplace. If the information provided is connected to your professional duties discuss all options with your employer entity and other trusted advisors as necessary.

ECRIN accepts no responsibility or liability whatsoever regarding the information published on this website nor to the suitability or otherwise of the information to your circumstances. ECRIN accepts no responsibility or liability for damage of any kind, also for indirect or consequential damages resulting from access to or use of this website or websites related or connected to this by links.
